TECLADO @ CCSIT Palakkad

CCSIT Palakkad, established in 1996 under the University of Calicut, is a premier centre for computer education offering BCA and MCA programmes with a strong foundation in software development and information technology. TECLADO, the student-driven IT fest of CCSIT, is a space where learning meets fun, ideas turn into action, and creativity takes center stage. Through exciting events and challenges, TECLADO encourages students to explore technology, showcase talent, and grow together beyond the classroom.
